Check out some of our POPULAR classes this fall!

Me & My Shadow- This fun-filled class is created just for you and your 1.5-3-year-old to share the journey of dance together! Join in the fun while singing music your kiddos know and love and learning beginner dance moves with a ballet and jazz foundation. Both loved one and toddler will learn all about warming up, stretching, singing nursery rhymes, role playing and acrobatic obstacle courses to foster a love for dance and enhance gross motor skills. This 45-minute class is offered in 6-week sessions running September through May and does not perform in our recital.

Kindercise- One of our company fav's! Don't think we can keep your pre-schoolers engaged for 60 minutes? Well, let us tell you...our non-stop fantastically fun class has everything in it but the kitchen sink! With a little taste of ballet, jazz and acro, your Kinder kid will sing, dance, bounce, roll, turn upside down and come home happy and tired! During this class, you can find all of us muscling a parachute up and down, kicking and dribbling balls, "hula-ing" hula hoops and using any other fab props to keep your dancer having fun and keeping fit! This 60-minute class is offered in 6-week sessions running September through May and does not perform in our recital.

Acro- The most fun a kid can have getting stronger, more flexible and learning acro tricks! Acro will challenge your kids to jump, roll, bounce and turn upside down all while secretly fostering a healthy body and mind! A Tumble Track, progression mats, and props help to make this class one hoppin' experience! Our acro kids will also learn basic dance skills to create their acro routines. This class meets one time a week from September through June and ends with our grand finale of performing in our annual recital.

Levels: Kinder Acro (Ages 3-4) 30-minute class, Tot Acro (Ages 5-6) 45-minute class, Beginner Acro (Ages 7-9) 45-minute class, Junior Acro (Ages 9+) 60-minute class, Intermediate Acro (Permission only) 60-minute class & Advanced Acro (Permission only) 75-minute class.

Ballet- Creative, imaginative role-playing and fun props make learning ballet the most fun! This class is full of energetic movement that will keep our students on their toes while gaining self-assurance and learning body awareness and posture! It is suitable for both boys and girls who are having so much fun that they don't even realize that they are learning the fundamentals of ballet technique along the way. This class meets one time a week from September through June and ends with our grand finale of performing in our annual recital.

Jazz- This fun, fantastical, fast-paced class will use upbeat music, lots of props, tons of energy and enthusiasm! Students will build coordination, creativity and confidence while singing and dancing to their fav songs! We'll do some warming up, stretching and hoppin' progressions across the room, then we'll put it all together in one fantastical jazz routine for our show! This class meets one time a week from September through June and ends with our grand finale of performing in our annual recital.

Tap- Kiddos will expand on their "Let's Make Some Noise" skills! Super fun basic tap skills in an imaginative way while also playing with instruments to help promote rhythm. We will toe-heel, heel-toe, stomp, stamp and "shuffle it out" while making as much noise as we can! We will also turn on our "thinking caps" while practicing balance, motor skills and coordination. in our fun, safe and educational environment! Hip hop dance moves are fast and explosive to match the tempo of the music...we love to pop, lock and break it down in our own age-appropriate way!
